

October 1, 2013

Announcement for Merger

Effective October 1, 2013, UBE Machinery Corporation, Ltd., and UBE Techno Eng Co., Ltd., which is presently a subsidiary of UBE Machinery, will merge into UBE Machinery Corporation. Attached are the names and responsibilities of UBE Machinery Corporation's top management as of October 1, 2013.

Under the new management team of UBE Machinery Corporation, we will continue to deliver world class performance internationally. Efforts are in process to create a unified framework for manufacturing, sales and service. This will allow us to the best resources of both companies, enhancing our capacity to serve diversified needs.

We will appreciate your support and encouragement.

Sincerely yours,

Yukio Hisatsugu
President
UBE Machinery Corporation, Ltd.
