Supplier of the year 2020 from Magnode, a Shape Corp Company

UBE Machinery received a Supplier of the year 2020 from Magnode, a Shape Corp Company, a major Extrusion manufacturer located in Trenton, Ohio, USA.

The technology advanced high functionality, productivity and durability of the Extrusion press, NPC 3300 UST SS / 3G, manufactured and delivered by UBE Machinery in 2017.

On February 27, UBE Machinery Inc, an American affiliate company, attended the ceremony on behalf of the UBE Machinery Group and received a commemorative Award.

This was awarded not only by the initial sale of the press but the continued support and after sales service. UBE Machinery was 1 of 8 suppliers that won this award out of more than 60 different suppliers that attended the ceremony.

Encouraged by this award, we will continue to provide machinery and services that will meet our customer's expectations.
