Aluminum USA 2019 (Exhibition Report)

Aluminum USA 2019 was held from Sep 12th - 13th 2019 at Music City Center (Nashville TN, USA).

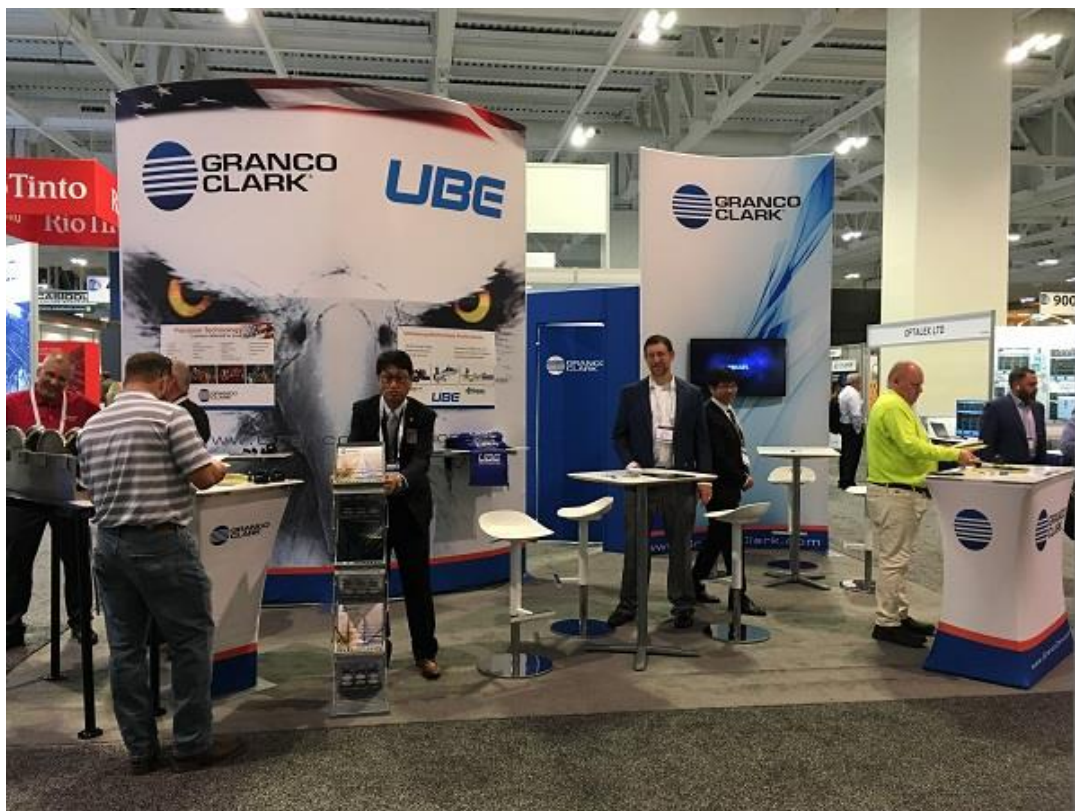

We exhibited UBE's the latest Extrusion Press Machine along with Granco Clark which is the leading Handling Equipment supplier in Michigan, USA.

With this collaboration, we could offer the total aluminum extrusion line as a full package system to the extruders in this field.

We will be presenting at ET2020 Exhibition in FL USA next year.

We hope to see you again at ET2020.

Thank you again for your visiting at UBE/Granco Clark Booth.
